EXHIBIT A

RE: Sewer Abatement Request.

This request is for partial abatement of the sewer usage bill dated January 1, 2016

for the period 9/14/15 to 12/11/15.

I purchased this house in hopes of moving in, after doing some minor cosmetic work. At the time I was Manager of a local seafood restaurant and had adequate income to maintain my home. Shortly after, the restaurant closed and thus my income was greatly reduced. I have since taken on two jobs but still it is a struggle to maintain this house. I have listed it with a MLS Realty company.

The past bills which are enclosed were significantly less. I have been unable to determine the cause. There was exterior water used only for a few plants. The interior use was limited because the unit was vacant. My dad did most of the improvements. He is there every other day for the mail and dehumidifier check.

He is a homeowner and is very aware of dripping faucets and running toilets. I did have the house winterized on Nov. 5.

Bottom line, we do not know how this happened and I am asking for your assistance.

My dad did meet, and had a very good talk, with the head of the Water Dept., Phil Croasdale and his engineer.

Thank you for any help you can provide me.

Reason for Abatement Request: Spoke with Lisa from Ept regarding issue, two toilets leaking in two separate units. Both toilets replaced and Manchester water works rep. rechecked them. Subject: Reason for abatement request

Ref: Account number: 143811-15822

Dear Sir or Madam,

I am writing this letter to request an abatement on my EPD bill of \$1,283.83 covering the period dating from 01/01/2012 to 9/25/2014. The accumulation of this past due amount was caused by the EPD division failure to do their work to send me my quarterly bill.

Prior to that I have always been able to pay for my bills and believe to have not been behind on my obligations.

I believe that the past due bill would have been paid if I had been receiving my quarterly bills as I am custom to. Though, I am willing to pay this bill, I am requesting an abatement of at least \$800 as I am currently going through a hardship and also believe that the EPD division is partly responsible for this situation.

I have attached a copy of the city tax collector bill for requesting the payment of \$1,413.33 to be paid by the 15th of September or a lien will be put into to my mortgage.

I appreciate you immediate attention on this matter and If you require additional information on this matter please do not hesitate to ask.

I look forward to receiving your response.

Sincerely,

Victor Mbuyi

- 12.3. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Subrecipient from any and all liability for damages sustained or incurred by the State as a result of the Subrecipient's breach of its obligations hereunder.

Neither the Subrecipient nor any of its officers, employees, agents, members, subcontractors or subgrantees, shall have authority to bind the State nor are they entitled to any of the benefits, workmen's compensation or emoluments provided by the State to its employees.
15. ASSIGNMENT AND SUBCONTRACTS. The Subrecipient shall not assign, or otherwise transfer any interest in this Agreement without the prior written consent of the State. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant shall survive the termination of this agreement.
17. INSURANCE AND BOND.
- 17.1 The Subrecipient shall, at its own expense, obtain and maintain in force, or shall require any subcontractor, subgrantee or assignee performing Project work to obtain and maintain in force, both for the benefit of the State, the following insurance:

No express waiver of any Event of Default shall be deemed a waiver of any provisions hereof. No such failure of waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of the Subrecipient.
19. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses first above given.

1. Applicability of Part 200 Uniform Requirements

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by the Department of Justice (DOJ) in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") apply to this 2016 award from the Office of Justice Programs (OJP).

The Part 200 Uniform Requirements were first adopted by DOJ on December 26, 2014. If this 2016 award supplements funds previously awarded by OJP under the same award number (e.g., funds awarded in 2014 or earlier years), the Part 200 Uniform Requirements apply with respect to all funds under that award number (regardless of the award date, and regardless of whether derived from the initial award or a supplemental award) that are obligated on or after the acceptance date of this 2016 award.

For more information and resources on the Part 200 Uniform Requirements as they relate to OJP awards and subawards ("subgrants"), see the Office of Justice Programs (OJP) website at <http://ojp.gov/funding/Part200UniformRequirements.htm>.

In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the recipient is to contact OJP promptly for clarification.

2. Compliance with DOJ Grants Financial Guide

The recipient agrees to comply with the Department of Justice Grants Financial Guide as posted on the OJP website (currently, the "2015 DOJ Grants Financial Guide"), including any updated version that may be posted during the period of performance.

3. Required training for Point of Contact and all Financial Points of Contact

Both the Point of Contact (POC) and all Financial Points of Contact (FPOCs) for this award must have successfully completed an "OJP financial management and grant administration training" by 120 days after the date of the recipient's acceptance of the award. Successful completion of such a training on or after January 1, 2015, will satisfy this condition.

In the event that either the POC or an FPOC for this award changes during the period of performance, the new POC or FPOC must have successfully completed an "OJP financial management and grant administration training" by 120 calendar days after -- (1) the date of OJP's approval of the "Change Grantee Contact" GAN (in the case of a new POC), or (2) the date the POC enters information on the new FPOC in GMS (in the case of a new FPOC). Successful completion of such a training on or after January 1, 2015, will satisfy this condition.

A list of OJP trainings that OJP will consider "OJP financial management and grant administration training" for purposes of this condition is available at <http://www.ojp.gov/training/fmts.htm>. All trainings that satisfy this condition include a session on grant fraud prevention and detection.

The recipient should anticipate that OJP will immediately withhold ("freeze") award funds if the recipient fails to comply with this condition. The recipient's failure to comply also may lead OJP to impose additional appropriate conditions on this award.

SPECIAL CONDITIONS

4. Requirements related to "de minimis" indirect cost rate

A recipient that is eligible under the Part 200 Uniform Requirements and other applicable law to use the "de minimis" indirect cost rate described in 2 C.F.R. 200.414(f), and that elects to use the "de minimis" indirect cost rate, must advise OJP in writing of both its eligibility and its election, and must comply with all associated requirements in the Part 200 Uniform Requirements. The "de minimis" rate may be applied only to modified total direct costs (MTDC) as defined by the Part 200 Uniform Requirements.

5. Requirement to report potentially duplicative funding

If the recipient currently has other active awards of federal funds, or if the recipient receives any other award of federal funds during the period of performance for this award, the recipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the recipient must promptly notify the DOJ awarding agency (OJP or OVW, as appropriate) in writing of the potential duplication, and, if so requested by DOJ awarding agency, must seek a budget-modification or change-of-project-scope grant adjustment notice (GAN) to eliminate any inappropriate duplication of funding.

6. Requirements related to System for Award Management and Unique Entity Identifiers

The recipient must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <http://www.sam.gov>. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

The recipient also must comply with applicable restrictions on subawards ("subgrants") to first-tier subrecipients (first-tier "subgrantees"), including restrictions on subawards to entities that do not acquire and provide (to the recipient) the unique entity identifier required for SAM registration.

The details of the recipient's obligations related to SAM and to unique entity identifiers are posted on the OJP web site at <http://ojp.gov/funding/Explore/SAM.htm> (Award condition: System for Award Management (SAM) and Universal Identifier Requirements), and are incorporated by reference here.

This special condition does not apply to an award to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

7. All subawards ("subgrants") must have specific federal authorization

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements for authorization of any subaward. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a "subaward" (and therefore does not consider a procurement "contract").

The details of the requirement for authorization of any subaward are posted on the OJP web site at <http://ojp.gov/funding/Explore/SubawardAuthorization.htm> (Award condition: Award Condition: All subawards ("subgrants") must have specific federal authorization), and are incorporated by reference here.

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold (currently, \$150,000). This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a procurement "contract" (and therefore does not consider a subaward).

9. Requirements pertaining to prohibited conduct related to trafficking in persons (including reporting requirements and OJP authority to terminate award)

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of recipients, subrecipients ("subgrantees"), or individuals defined (for purposes of this condition) as "employees" of the recipient or of any subrecipient.

The details of the recipient's obligations related to prohibited conduct related to trafficking in persons are posted on the OJP web site at <http://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm> (Award condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and OJP authority to terminate award)), and are incorporated by reference here.

10. Compliance with applicable rules regarding approval, planning, and reporting of conferences, meetings, trainings, and other events

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences.

Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears in the DOJ Grants Financial Guide (currently, as section 3.10 of "Postaward Requirements" in the "2015 DOJ Grants Financial Guide").

11. Requirement for data on performance and effectiveness under the award

The recipient must collect and maintain data that measure the performance and effectiveness of activities under this award. The data must be provided to OJP in the manner (including within the timeframes) specified by OJP in the program solicitation or other applicable written guidance. Data collection supports compliance with the Government Performance and Results Act (GPRA) and the GPRA Modernization Act, and other applicable laws.

12. OJP Training Guiding Principles

Any training or training materials that the recipient -- or any subrecipient ("subgrantee") at any tier -- develops or delivers with OJP award funds must adhere to the OJP Training Guiding Principles for Grantees and Subgrantees, available at <http://ojp.gov/funding/ojptrainingguidingprinciples.htm>.

Part 38 of 28 C.F.R., a DOJ regulation, was amended effective May 4, 2016.

Among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38 also sets out rules and requirements that pertain to recipient and subrecipient ("subgrantee") organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to recipients and subrecipients that are faith-based or religious organizations.

The text of the regulation, now entitled "Partnerships with Faith-Based and Other Neighborhood Organizations," is available via the Electronic Code of Federal Regulations (currently accessible at <http://www.ecfr.gov/cgi-bin/ECFR?page=browse>), by browsing to Title 28-Judicial Administration, Chapter I, Part 38, under e-CFR "current" data.

17. Restrictions on "lobbying"

Federal funds may not be used by the recipient, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification or adoption of any law, regulation, or policy, at any level of government.

Should any question arise as to whether a particular use of Federal funds by a recipient (or subrecipient) would or might fall within the scope of this prohibition, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

(2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and

RE: City Employee Education Program

The Mayor's proposed FY17 budget provided \$341,036 for cash CIP projects for City Hall Refurbishment (\$321,036) and a City Employee Education Program (\$20,000). The final Board of Aldermen budget added an additional \$660,000 to the Mayor's cash CIP for other projects. When we prepared the final CIP resolution, I incorrectly put the entire \$341,036 proposed by the Mayor towards the City Hall Refurbishment project. Accordingly, I respectfully request that the CIP Committee formally authorize a FY2017 CIP project for the City Employee Education Program and authorize the transfer of \$20,000 of unencumbered funds from the City Hall Refurbishment Project to the City Employee Education project.

Respectfully submitted,

RE: Conservation License Plate Grant Program

We are requesting permission to apply for a grant of up to \$10,000 from the New Hampshire State Library Conservation Plate Grant Program to restore five (5) historic and one-of-a-kind maps documenting the physical history of Manchester from 1886-1888. These oversized canvas maps were created to show the sewer lines and water sources of the City during its early history, but also depict roads, houses, mills, and other structures. The materials are in desperate need of conservation treatment; due to age they are cracking, flaking, and pieces are becoming separated.

The Conservation Plate Fund is dedicated to preservation and conservation activities conducted on publicly owned documents and require no matching local funds. If we are awarded the grant, we will have the maps mended, restored, and digitized so they will be accessible to the public here at the Manchester City Archives, the New Hampshire State Library and at the New Hampshire State Archives. They will also be available for viewing on the City Clerk website.

Thank you for your consideration.

Dear Alderman Shea:

CIP Project 712616 was started up in FY16 in order to facilitate portable placement at the Manchester Animal Shelter. This project has been successfully completed and there remains a balance of \$14,131.02.

At this point we recommend revising the startup to include various repairs to the Manchester Animal Shelter and authorizing expenditure of the balance for this purpose.

Thank you, in advance, for consideration of this request. We will be available at the next committee meeting should any questions arise.

Honorable Board of Mayor and Aldermen
Of the City of Manchester
One City Hall Plaza
Manchester, NH 03101

Dear Honorable Board of Mayor and Aldermen:

We purchased a home at 945 Union St. in November, 2016, and recently discovered there is a paper street abutting the rear property line. We respectfully request the discontinuance of the paper street including half of the twenty-foot passageway that abuts our lot. Please see highlighted section of enclosed map.

The deed includes the following description of the property:

Beginning at the southwest corner of Lot No 5 on the east side of Union Street; thence easterly by Lot No 5 133.37 feet; thence southerly by a twenty-foot passageway 55 feet; thence westerly by Lot No 3 132.5 feet; thence northerly by Union Street 55.02 feet to the point of beginning.

This portion of Union Street was dedicated on a plan entitled "Land of Mrs. H.C. Lowell" dated June 1896. However, the street was never accepted nor improvements made. We, therefore, request you to discontinue the above-referenced portion of Union Street.

Dated at the City of Manchester, NH, on September 27, 2016.

Sincerely,

Erin Stoub

RE: PETITION TO DISCONTINUE A PORTION OF UNION EAST BACK STREET

Dear Committee Members,

Union East Back Street was originally dedicated by a subdivision plan entitled "Land of Mrs. H.C. Lowell" by George H. Allen dated October 13, 1892 Recorded at the Hillsborough County registry of Deeds as Plan #14. Union East Back Street is shown as a 20' wide unnamed passageway on said plan.

This portion of Union East Back Street was never opened nor built for public travel since the 1892 dedication. The City has never accepted the 1892 dedication of this portion of Union East Back Street, nor was a return of layout for this portion of Union East Back Street found. No public utilities are located in this portion of Union East Back Street.

The Highway Department takes no issue with this discontinuance petition.

A vote of the Board of Mayor and Aldermen would be required to release and discharge this street.

Sincerely,

Kevin Sheppard, PE
Public Works Director

Subject: Petition to Discontinue a Portion of Union East Back Street

Dear Alderman Shea,

Staff of the Planning and Community Development Department (PCD) has reviewed the petition to discontinue a portion of Union East Back Street that was submitted to the City Clerk's Office by letter dated September 27, 2016. For the reasons stated below, PCD has no objection to the request.

As shown on the attached maps, Union East Back Street remains as only a portion of a former alley that was planned between Union Street and Walnut Street. The remaining section is landlocked, meaning that it does not connect to another street due to private-property interests on both its north and south ends. With no practical means of connecting the alley to a public way, the alley serves no significant public purpose. Therefore, releasing a portion of the remainder would not deprive the City of any meaningful interest. Further, the release would not conflict with the Manchester Zoning Ordinance or Master Plan.

Please note that a vote to release and discharge the area in question may be more appropriate than a vote to discontinue it. According to DPW's research, the City never officially accepted the dedication of Union East Back Street and public travel did not occur on it. With neither official nor *de facto* acceptance by the City, a vote to release and discharge is all that is required, pursuant to RSA 231:51.

PCD staff will be available at your next meeting, should you have any questions.

Sincerely,
